Collection Solutions Built for You

Our flexible programs are built to align with your needs—maximizing recovery while protecting customer relationships.

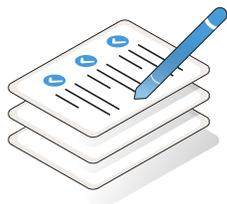

Digital-First

Harness the power of advanced technology, automation, and data to supercharge your collections. Achieve faster recovery rates and gain actionable insights with our real-time dashboards and multichannel outreach. Connect with today's customers exactly where they are.

Collections with Care

Entrust your collections to a team that treats your customers with the same professionalism and care you do. We safeguard the relationships you've built while ensuring you get paid, so you never have to choose between revenue and goodwill.

Expert Guidance

Leverage over 25 years of industry expertise to overcome your toughest A/R challenges. Our strategic approach, proven processes, and practical support make us more than just a vendor—we're your partner in long-term success.

Ease of Doing Business

Simplify your collections with our seamless account upload process or integration with your existing software. Our flexible programs and responsive support ensure A.R.M. Solutions fits effortlessly into your workflow, eliminating headaches.

Cost-Effective

Maximize your cash flow with our Flat Fee Program, which recovers three times more than the industry average at just one-fifth the cost of traditional collection agencies. Enjoy immediate revenue without compromising customer trust.
